<h2>Comparison</h2>
<h3>Kerala vs Goa â Best for Honeymoon?</h3>
<p>Goa is fun, no doubt. But Kerala offers peace, privacy, and romantic vibes, especially on a houseboat or in the misty hills.</p>
<h3>Kerala vs Andaman â Which is Cheaper?</h3>
<p>Andaman needs flights, ferries, and permits that increase the overall costs. Kerala is more accessible and budget-friendly for most travellers.</p>
<h3>Why Choose Kerala Over Other Destinations?</h3>
<p>Where else do you get hills, beaches, forests, and backwaters in one state? Plus, friendly locals, delicious food, and safe for all types of travellers.</p>
<h2>Customerâs Personal Travel Stories</h2>
<p>âWhen my friends and I decided to explore Kerala, we were thrilled, but so on the challenges began. Everyone wanted something different â some wanted to relax, some wanted adventure, and we had to keep the budget in mind too. That â when we found Travel Triangle, and honestly, it was the best decision we made. Their team understood exactly what we needed and made a plan that suited everyone. From houseboat rides in Alleppey to peaceful mornings in Munnarâs tea gardens and beautiful evenings at Kovalam beach, every day felt special. We didnât have to worry about bookings, transfers, or last-minute changes because everything was taken care of. Even when unexpected rain came in, the team quickly adjusted our schedule so we didnât miss out on anything. I remember thinking, âThis is so easy, why didnât we do this before?â We laughed, explored, clicked hundreds of pictures, and enjoyed every bit of our holiday. Travel Triangle didnât just plan a trip; they gave us an experience that felt personal and stress-free. Kerala gave us memories, but Travel Triangle made sure those

memories were perfect.

Everyone wanted something different – some wanted to relax, some wanted adventure, and we had to keep the budget in mind too. That's when we found Travel Triangle, and honestly, it was the best decision we made. Their team understood exactly what we needed and made a plan that suited everyone. From houseboat rides in Alleppey to peaceful mornings in Munnar's tea gardens and beautiful evenings at Kovalam beach, every day felt special. We didn't have to worry about bookings, transfers, or last-minute changes because everything was taken care of. Even when unexpected rain came in, the team quickly adjusted our schedule so we didn't miss out on anything. I remember thinking, “This is so easy, why didn't we do this before?” We laughed, explored, clicked hundreds of pictures, and enjoyed every bit of our holiday.
